Reception Halloween Crafts

Thank you so much to all of the families who joined us at school on Thursday afternoon for a spook-tacular afternoon of crafts.

We hope you enjoyed it as much as we did and we hope to invite you back into school soon!

The Reception Team

PTFA Thank You!

Our Christmas design shop has now closed and has raised a huge £807.58 in commission for our school. A massive thank you to everyone who supported this project and a **special thanks** to Louise Sinclair for organising and coordinating it all.

Last week's cake sale also raised £175 for our school. A big thank you to everyone who baked, bought and helped sell all those cakes!

Parent Consultations

Telephone appointments will be held on the afternoon of **Tuesday 7th November** and face to face appointments will be held on the evenings of **Tuesday 7th November** and **Thursday 9th November**.

Please

- Remain outside until your appointment time. A member of staff will invite you in at your allocated time (please be on time).
- Do not over run your appointment time as others will be waiting outside
- Children stay at home if possible, if not they can wait in the library.

Thanks Mrs Lamb

Thank you for remembering to send your child in with their water bottle this term. Even though it is getting colder, it is still important that children remain hydrated, with water, throughout the day.

Children have a higher proportion of body water than adults do and even mild dehydration can result in tiredness, lack of concentration, reduced mental performance and difficulty remembering new things. It can also lead to headaches, dry skin and bladder issues.

Please remember that water bottles should contain water and not juice, squash or flavoured water. These alternative drinks can be high in sugars, artificial sweeteners and can be acidic. They can irritate the bladder contributing to day and night time issues, can contribute towards dental decay and can reinforce a taste for sweet foods. It is always best to try to limit the quantity provided and provide them at meal times only.

Mrs Wells

Next Half Term's Topics

Please see below for information about your child's topic for next half term.

Reception: What a Wonderful World

What a Wonderful World exposes our children to the world beyond their doorstep through a rich curriculum of stories from other cultures. Children explain similarities and differences between life in this country and life abroad, drawing on knowledge from stories, non-fiction texts and personal experiences. There are also endless opportunities for children to explore the cultures and traditions of other countries through art, music, religious education and PE.

KS1: Toys

Toys is a fun and exciting history topic, which introduces our children to the concept of chronology and change over time in a practical and relatable way. Children enjoy bringing their own favourite toys into school, looking at toys that their grandparents played with and ordering toys chronologically on timelines. We also introduce the concept of 'invention' and how history has been influenced by new technology.

KS2: World War 2

World War 2 enhances our children's understanding of the historical concepts of cause and consequence. We learn about the story of World War 2 and look at some of the reasons why the conflict occurred. Children then look at the impact of the war on Britain through a study of the Blitz, rationing and evacuees. Finally, we take a trip to the Victoria Tunnel to look at the impact of WW2 on Newcastle.

For more information about what your children will be learning across all curriculum areas, please find attached our topic webs and check out the curriculum section of our school website.
