SPACE	Reception Topic Web		
	Spring One		
<p><i>Space</i> challenges our childrens' <b>imagination</b>s and <b>creativity</b> through an abstract but exciting concept. Our pupils' confidence grows as they are immersed within a classroom filled with limitless possibilities. They can <b>role-play</b> as astronauts and travel to far away planets, <b>design</b> and <b>build</b> spaceships and <b>solve problems</b> related to space missions that they have to complete! At this point in the year, the childrens' <b>reading</b> and <b>writing</b> skills are on the verge of take-off and this topic will enable them to do so.</p>			
Literacy: Key Texts			
			

PSED
Health and Wellbeing
Practice how to wash our hands.
