19<sup>th</sup> June 2020 Issue 3 Summer Term 2

## National School Sport Week at Home 2020

Join us to take part in the Youth Sport Trust and Sky Sports National School Sport week. It will take place from Saturday 20<sup>th</sup> June to Friday 26<sup>th</sup> June 2020.

YST National School Sport Week at Home 2020 gives everyone the opportunity to engage in a series of virtual sporting challenges which help young people capture the enjoyment, competition and camaraderie they are missing out on.

Look on our website under 'Home Learning' for the activity cards to help you plan a series of challenges across National School Sport Week at Home.

The active challenges have an emphasis on togetherness, inclusivity and wellbeing. They will be things you can do within the home, and where you can engage in straightforward virtual competition.

YST will also provide you with ideas for sharing your challenges online during the week using the hashtag **#NSSWtogether**.

Anyone and everyone can take part so put your trainers on and get ready to join in the fun!

Miss Walsh

## Nursery and Reception

A New Nursery and Reception parent section has been added to the school website so that you can access all of the documentation in one place including some videos that the staff have been working on. The PTA have also written a letter to the new members of our Gosforth Park family which is available to read on our website.

## Year 4 Transition

**We have some exciting news regarding Year 4 transition to GEMS. Keep an eye out for a letter going out on Parent Pay on Monday!**

## Family Support

We have a number of books in school to support families who have suffered a loss and a selection of books to support children with worries and anxiety. If you'd like to borrow one of these, please get in touch.

After Marcus Rashford's highly successful campaign for summer holiday support, families entitled to free school meals will now also be entitled to food vouchers throughout the school holidays! We are waiting on the details for how and why these will be sent out. We have also sent an additional voucher to cover the May half term holiday.

Just call 0845 6006400 to apply immediately over the phone. Alternatively you can log on to [www.newcastle.gov.uk/services/schools-learning-and-childcare/help-school-and-learning-costs/apply-free-school-meals](http://www.newcastle.gov.uk/services/schools-learning-and-childcare/help-school-and-learning-costs/apply-free-school-meals)

We would encourage anyone who is unsure whether they qualify to apply anyway.

Our school nurse is available to support with various childcare queries. Support is still available to both parents/carers and children too through the single point of access number below.

EYFS

Well done to **Amara Chirinda** from Miss Walsh's class in Reception. Amara has been working very hard on a range of topics including baking, exercising with Joe Wicks, crafting, creating story maps and writing stories based on our Literacy focus books! Here Amara created the characters and the homes from The Three Little Pigs story using play doh. Well done Amara!

Well done to **William Thoresen-Pritchard** from Miss Walsh's class in Reception. William has been working very hard on a range of topics including counting in 2s, 5s and 10s, growing vegetables, identifying tricky words, identifying 3D shapes, creating different amounts using a range of coins and William even made a bag using a t-shirt! Here William wrote the story of The Three Little Pigs from our Literacy focus book. Well done William!

A huge well done to **Ella Henderson** who got her first Blue Peter Badge after sending in her picture of a cat! Ella has also been practising her gymnastics and has shown real determination by learning to do a pull over on her gymnastics bar! Well done Ella, I loved seeing the video of you doing it.

I am very proud of **Ella Sinclair** who has been reading lots of books and completing the quizzes on Oxford Owl. She also completed a great book review for the book Rubbish or Recycling, I agree, recycling is very important. Well done Ella!

**My Book Review**  
 Title: Rubbish or Recycling?  
 Author: Deborah Chancellor  
 Rate the book: ★★★★★  
 What is the book about?  
The twins entered their school recycling competition. They made a recycling robot and won first prize.  
 What did you learn?  
Metal called aluminium can be recycled so can paper, cardboard, glass and some plastics. We need to recycle properly and re-use things. Rubbish can be harmful to wildlife.  
 Draw your favourite scene from the book.

# THANK YOU!

The Friends of GPFS committee would like to thank all the staff at GPFS for their ongoing hard work and commitment to ensuring all the children and families are safe, provided with home learning material and for providing provision for the children of Key Workers. We really appreciate everything you have done over the past couple of months and all the hard work you continue to do.

As a thank you, the committee members put together a “care package” for all of the staff returning to school after half term. It was full of teas, coffees, biscuits and other items to make going back into school a little brighter. Thank you to Sarah P for organising, and for the donations from the committee members.

A huge THANK YOU to all the key workers in our community, your dedication is very much appreciated.

And, to all of the people who have offered support and advice to members of our community via the WhatsApp Groups. It is so lovely to hear from the class reps that we are all looking out for each other during this unprecedented situation.

## Fundraising:

Due to the current situation, we have been unable to continue with our normal fundraising efforts. Therefore, more than ever, we would be incredibly grateful if you could sign up to [easyfundraising.com](https://www.easyfundraising.com). With more people ordering online it would be a great way to help our school, without really having to do anything at all!

We don't know when we will be able to resume normal PTFA duties but hope to do something really special when we are able to.

*From the Friends of GPFS Committee*

*Stay Safe, take care and we hope to see you all soon!*
