## Numicon Session for Parents

Dear Parents and Carers

We are delighted to be able to offer you the chance to come and find out all about Numicon, a fantastic resource and hands on approach to teaching about number, which we use in school from Nursery to Year 4.

Jeni Hastie, Maths Advisor, will be coming into school on Friday 3<sup>rd</sup> November from 1:45 – 2:45 to deliver the session. When the session is finished you will be able to collect your child from class.

The session will cover what Numicon is and why we use it. There will also be practical opportunities for you to get your hands on the Numicon and have a go! Jeni will also be preparing a booklet containing some simple activities, covering all year groups that you might like to do at home.

There will also be a chance for you to order some Numicon to use at home.

Please let me know if you will be able to make it so we can make sure we have enough resources.

***Please reply by Monday 16<sup>th</sup> October.***

Please return to the school office or email me at [Leanne.Lamb@gosforthpark.newcastle.sch.uk](mailto:Leanne.Lamb@gosforthpark.newcastle.sch.uk).

Many thanks

Mrs Lamb  
Deputy Head Teacher  
Maths Leader
