19<sup>th</sup> March 2021 Issue 4 Spring Term 2

It's been a fun day in school today! We have had an amazing range of superheroes from doctors and nurses, Spiderman and Wonder Woman to mini Mr Hindess, mini Mrs Armstrong and a mini Mrs Hall! Thank you so much for taking part and putting a smile on our faces. I hope those of you of a certain age enjoyed reminiscing with Mrs Wilson's portrayal of Super Gran! You can see our staff superheroes below!

All of our children, parents and staff have been real life superheroes this year.

*Together we make a difference*

Some exciting things to look forward to over the next few weeks ...

- WB 22<sup>nd</sup> March – STEM week
- WB 29<sup>th</sup> March – Easter fun and egg decorating!

More information to follow soon ...

## Think COVID first

If you or your child are unwell and have any of the following symptoms please do not send them to school. Think COVID first and book a test.

- A new or continuous cough
- A high temperature
- A change or loss in taste or smell

## STEM Week

**Monday 22<sup>nd</sup> – Friday 26<sup>th</sup> March 2021**

STEM week this year is based on British Science Week's theme of 'Innovating for our Future'.

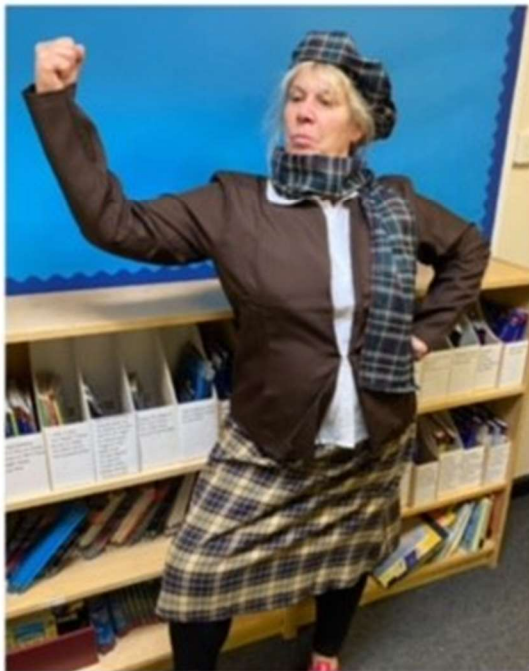

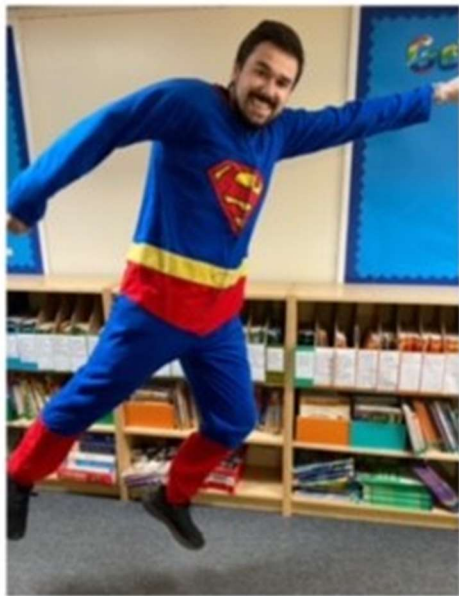

Promoted by the British Science Association, the annual British Science Week aims to celebrate all sciences and their importance in our everyday lives. It provides an opportunity for people of all ages across the UK to take part in science, engineering and technology events and activities.

At Gosforth Park, our children will be taking part in some special STEM lessons which will aim to inspire our young learners to think about ways in which to improve our world for the better.

If you would like to get involved at home, there are loads of fun activities to be found on <https://www.britishscienceweek.org/> including a poster competition and fun, family science packs!
