

Confidence	Creativity	Confidence	Challenge
Super heroes	Reception Topic Web		
Spring One			
<p>Super Heroes builds on the creative aspects of previous topics and engages all learners at a vital time in their academic year. Children are now enjoying achieving what they set out to do and learning to persevere to complete more complex teacher-led challenges. Children are inspired to concentrate for longer periods and to read and write about their favourite heroes. Links to this topic across all areas of provision provide opportunities for creative and critical thinking. We also learn about the lives of real life superheroes and their roles in society.</p>
