What a Wonderful World	Reception Topic Web		
	Summer One		
<p>What a Wonderful World exposes our children to the world beyond their doorstep through a rich curriculum of stories from other cultures. Children explain similarities and differences between life in this country and life abroad, drawing on knowledge from stories, non-fiction texts and personal experiences. There are also endless opportunities for children to explore the cultures and traditions of other countries through art, music, religious education and PE.</p>
