SPACE	Reception Topic Web		
	Autumn Two		
<p>Space challenges our childrens' imaginations and creativity through an abstract but exciting concept. Our pupils' confidence grows as they are immersed within a classroom filled with limitless possibilities. They can role-play as astronauts and travel to far away planets, design and build spaceships and solve problems related to space missions that they have to complete! At this point in the year, the childrens' curiosity and wonder are on the verge of take-off and this topic will open new worlds to them!</p>			
Literacy: Key Texts			
			

PSED
Living in the Wider World
<p>Know what rules are and why they are important to keep us safe.</p> <p>Learn about road safety, including the importance of wearing bright or reflective clothes</p> <p>Understand some responsibilities we have in our local community (e.g. putting rubbish in bins)</p>
